

Medha Description:

I am a first-year Computer Science major at Cal Poly Pomona. I am interested in Full-Stack Web Development, Cybersecurity, Data Science, and AI/ML. I have skills in Python, Java, HTML, CSS, WordPress, Eclipse, Google Colab, Kaggle, Jupyter Notebook, and VS Code. I am also taking a certification course to get the Google Cybersecurity Professional Certificate.

Currently, I am a member of the Northrop Grumman Collaboration Project in Cal Poly Pomona and am on their UAV Software Team. I am also maintaining the website of the Socal Tamil Organization, which works to promote the heritage and culture of the Tamil People in Southern California. Additionally, I am a member of the CPP MEP-WiSE program.

Keerthi Description:

I am a first year Computer Science major at Cal Poly Pomona. My current technical interests are Web Development, Mobile App Development, and AI/ML. I have skills in HTML, CSS, JavaScript, Java, Python, PHP, MySQL, and Networking.

I am active in the committees of the Google Student Developer Clubs and the Data Science and Artificial Intelligence Club at CPP. One of my recent projects is a skin disease predictor software in which I used machine learning algorithms to do binary classification on skin cancer images. I am also an active member of the Kellogg Honors College and the MEP-Wise program and I am actively looking for new opportunities to grow personally and professionally.
